Biofuels Regulatory Certainty

- Current Biofuel Obligation Scheme (BOS)
 - Trajectory to 2020?
 - Need to set 2019 & 2020 targets now
 - 2018 carryover certs – current business plan based on no carryover to 2020 – clarification & certainty required by end of year
- Post 2020 regulations
 - Future of BOS scheme – biofuels targets for 2021
- E10
 - Government considering a mandated approach?
